How To Bury Pet Rabbit

In *The Plundered Planet*, Collier describes all kinds of natural resources and how humans are continuously plundering them, usually to the point that the process stops further exploitation, but at that point the breeding ground may already have become overused.

The Beauty #14

From the use of bones and shells thousands of years ago, to peering into teacups in the parlours of Victorian England, for millennia people have strived to see what fate and fortune holds.
