the beads allows for slipping multiple beads on the points of the triangles. They go on to say: This admirable invention affords, alike, pleasure and regularity to those who 'thread the mazes of the dance:' from the neutral couple, all confusion is prevented; the tiresome inactivity of several couples standing unemployed, is done away with, and even an unengaged spectator is gratified by the agile movements of so many graceful forms; all animated, as if by the same spirit, and no one breaking off, or leaving the dance as was formerly too much practised till the whole is ended.
