Joan of Arc and Richard III: Sex, Saints, and Government in the Middle Ages

Moreover, introducing regulation with a view to increasing the level of power transmitted may create harmful interference in the spectrum range concerned, especially in densely populated areas. It could be proven that the assessment of the usefulness of content knowledge increases significantly as a result of teaching experience, while the assessment of the usefulness of pedagogical content knowledge tends towards lower values, but not to a statistically significant degree.

Blast from Her Past

John Sargent: His Palette.
