The Gift

This pattern is what we call the progress principle: of all the positive events that influence inner work life, the single most powerful is progress in meaningful work; of all the negative events, the single most powerful is the opposite of progress-setbacks in the work.

Eyes on the Universe: The Story of the Telescope

You may survey its surface and describe it; but no matter how numerous and painstaking the toilers in this sea, there will always be lonely and unexplored regions in its depths, caverns unknown, flowers and pearls and monsters of the deep overlooked or forgotten by the divers of literature. It was emphatically the revolution of the people.

Plain Jane Or Beautiful Bethany

However, most other assemblies still had a large number of SVs an average of More than SVs were shared among all the

assemblies. Classifiers on the left side of the graph with low false positive Alternatively classifiers on the upper right side of the graph classify nearly all positives correctly, but have high false positive rates.

The Gift

This pattern is what we call the progress principle: of all the positive events that influence inner work life, the single most powerful is progress in meaningful work; of all the negative events, the single most powerful is the opposite of progress-setbacks in the work.

The Final Ride

Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work.
