Memoirs of the Life of Sir Walter Scott, Volume 6

Of course there are higher powers from which we derive and are an integral part of the Life Forces and not seems natural to assume an all knowing intelligence is the cause but it takes more belief to accept imaginative reasons than searching for the knowledge of the source that we believe is responsible for the Life Forces and that we will find the knowledge of that source because we are from that source, the source is within humanity and humanity the epitome of the source as far as we can reason and think.

Memoirs of the Life of Sir Walter Scott, Volume 6

Of course there are higher powers from which we derive and are an integral part of the Life Forces and not seems natural to assume an all knowing intelligence is the cause but it takes more belief to accept imaginative reasons than searching for the knowledge of the source that we believe is responsible for the Life Forces and that we will find the knowledge of that source because we are from that source, the source is within humanity and humanity the epitome of the source as far as we can reason and think.

The British Essayists Volume 16

Few of the many attempts to uncover an underlying structure to Ecclesiastes have met with widespread acceptance; among them, the following is one of the more influential: [4]. He continued: "There needs to be a more direct way to deal with something as serious as getting death threats and the volume of posts we're getting when it's very obviously a case of mistaken identity.
